

## 7-Day Read-Aloud Challenge for Kids Aged 3-8

30 min of together-time a day — no excuses. Each day has a simple task. Print the stamp card at the end and fill it in together.

**HuggleTales-Tip:** HuggleTales as your daily backup story: if you don't feel like reading aloud — the app generates a new story. Your child still gets something.

### Prep (5 min before Day 1)

- ☐ Print the stamp card (included in the PDF)
- ☐ Optionally: install the HuggleTales app
- ☐ Choose a fixed reading spot: sofa, bed or rug
- ☐ Pick a reading time — always the same clock-time

**Tip** 15 min is enough. Short and consistent beats long and irregular.

### 7 Tasks — 15 min per day

- ☐ Day 1: Child picks the book — you read it all the way through
- ☐ Day 2: You read — child turns every page alongside you
- ☐ Day 3: Child reads one page aloud (with your help)
- ☐ Day 4: Two-minute feedback — what was the best bit?
- ☐ Day 5: Child draws a picture based on the story
- ☐ Day 6: Together invent an alternative ending
- ☐ Day 7: Celebration evening: re-read the favourite page of the week

**Rule** No phone or tablet during reading time.

If this checklist helps: check out **HuggleTales** — the app for personalised bedtime stories with your own voice. Your first story is free. For iOS & Android.
